## CPQ 9020 LX 73.8631.97.3

|                   |                 |      |        |
|-------------------|-----------------|------|--------|
| DIAMETRO PISTONE  | PISTON DIAMETER | 30   | mm     |
| CORSA             | STROKE          | 44   | mm     |
| VELOCITA' MASSIMA | MAX. SPEED      | 1000 | RPM    |
| PRESSIONE MASSIMA | MAX. PRESSURE   | 200  | Bar    |
|                   |                 | 2900 | PSI    |
| PORTATA MASSIMA   | MAX FLOW RATE   | 90   | l/min. |
|                   |                 | 23.8 | GPM    |

## CPQ 1316 LX 73.8632.97.3

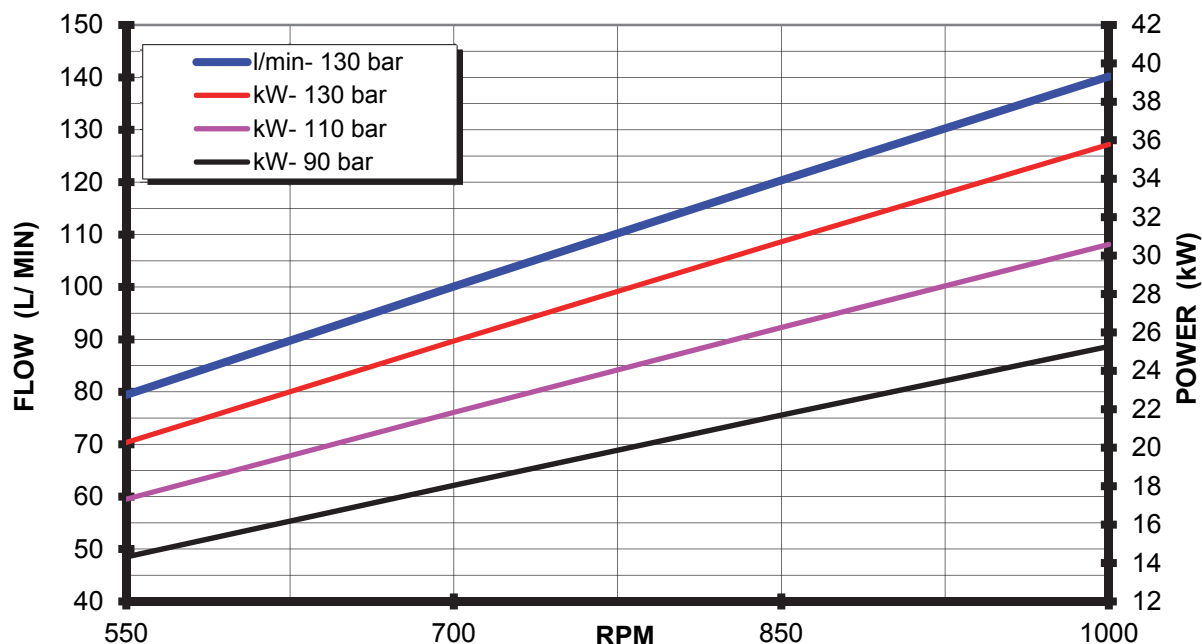

|                   |                 |      |        |
|-------------------|-----------------|------|--------|
| DIAMETRO PISTONE  | PISTON DIAMETER | 36   | mm     |
| CORSA             | STROKE          | 44   | mm     |
| VELOCITA' MASSIMA | MAX. SPEED      | 1000 | RPM    |
| PRESSIONE MASSIMA | MAX. PRESSURE   | 160  | Bar    |
|                   |                 | 2320 | PSI    |
| PORTATA MASSIMA   | MAX FLOW RATE   | 130  | l/min. |
|                   |                 | 34.3 | GPM    |

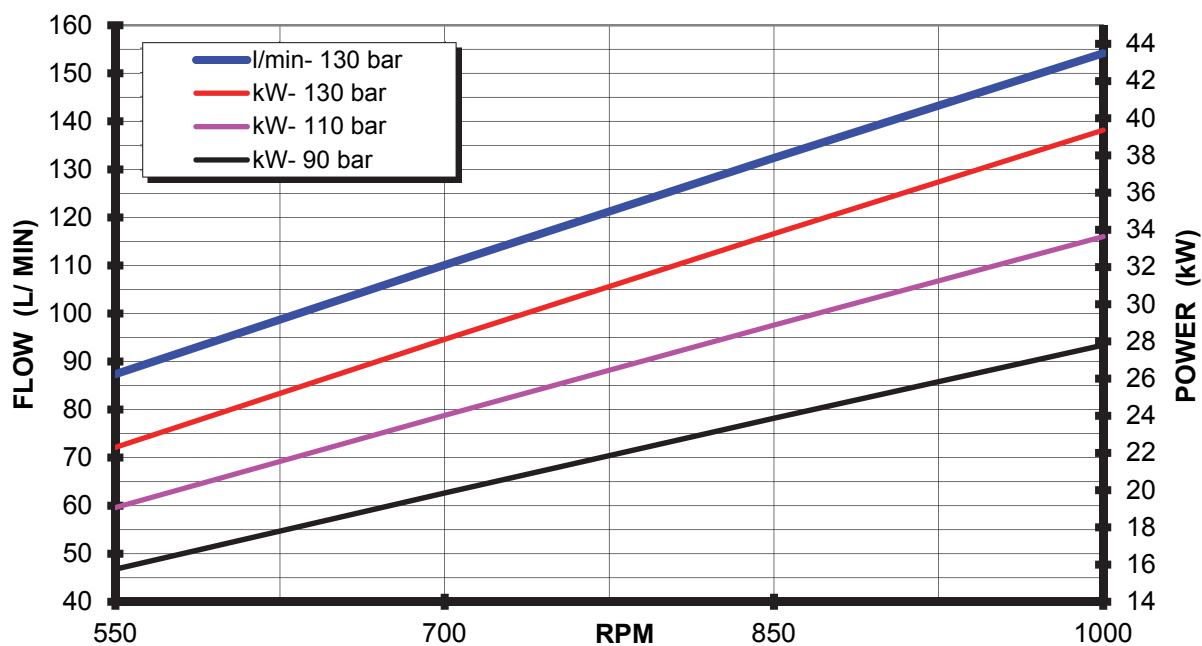

## CPQ 1413 LX 73.8633.97.3

|                   |                 |      |        |
|-------------------|-----------------|------|--------|
| DIAMETRO PISTONE  | PISTON DIAMETER | 40   | mm     |
| CORSA             | STROKE          | 40   | mm     |
| VELOCITA' MASSIMA | MAX. SPEED      | 1000 | RPM    |
| PRESSIONE MASSIMA | MAX. PRESSURE   | 130  | Bar    |
|                   |                 | 1885 | PSI    |
| PORTATA MASSIMA   | MAX FLOW RATE   | 146  | l/min. |
|                   |                 | 38.4 | GPM    |

## CPQ 1613 LX 73.8634.97.3

|                   |                 |      |        |
|-------------------|-----------------|------|--------|
| DIAMETRO PISTONE  | PISTON DIAMETER | 40   | mm     |
| CORSA             | STROKE          | 44   | mm     |
| VELOCITA' MASSIMA | MAX. SPEED      | 1000 | RPM    |
| PRESSIONE MASSIMA | MAX. PRESSURE   | 130  | Bar    |
|                   |                 | 1885 | PSI    |
| PORTATA MASSIMA   | MAX FLOW RATE   | 160  | l/min. |
|                   |                 | 42.3 | GPM    |

# Heavy duty quality

**Pompe concepite per applicazioni in servizio continuo e gravoso.** Impiegate principalmente nelle postazioni fisse di lavaggio, nell'industria alimentare e nelle condizioni di esercizio più difficili tipiche delle industrie siderurgiche, chimiche, petrolchimiche, edili, trattamento acque e miniere. Frequentemente utilizzate anche negli impianti antincendio, ferrovie, industrie navali e off-shore.

**These pumps are clearly the workhorse of any industry which requires continuous water disbursement.** Great for the in-plant stationary systems, trailer mounted cleaning systems, foods plants and for heavy duty conditions, typical of steel industry, chemical, petrochemical, water treatment, mining, construction/building industry, fire extinguishing systems, marine and off-shore, underground cable tunnels, railways protection locomotive, sewage systems, churches, etc.

## The pumps for...

- 1 HIGH PRESSURE CLEANING
- 2 DUST SUPPRESSION
- 3 INDUSTRIAL PROCESSES
- 4 CAR WASH/CAR WASH PLANTS
- 5 MINERAL PROCESSES
- 6 DRAIN CLEANING JETTER
- 7 IN-PLANT STATIONARY SYSTEMS
- 8 TRAILER MOUNTED CLEANING SYSTEMS
- 9 DRAIN CLEANERS
- 10 MULTIPLE GUN WASHING STATIONS
- 11 HIGH FLOW PRESSURE WASHERS
- 12 ELECTRIC AND ENGINE DRIVEN  
HIG PRESSURE CLEANERS
- 13 HEAVY EQUIPMENT MAINTENANCE
- 14 SEWER MAINTENANCE
- 15 FIRE ALARM SYSTEMS
- 16 HYDROSTATIC TESTING
- 17 AGRICULTURE
- 18 AUTOMOTIVE /CAR YARDS/CAR DETAILERS
- 19 CONSTRUCTION

- 20 TRANSPORT
- 21 COUNCIL DEPOTS
- 22 CONCRETE AND MACHINERY CLEANING LIKE
- 23 LIGHT INDUSTRIAL
- 24 FEEDLOTS & PIGGERIES LIKE 3
- 25 INDUSTRIAL /FACTORY APPLICATIONS
- 26 SHIP YARDS
- 27 LARGE FARM MACHINERY
- 28 FOOD PLANTS
- 29 TRUCK & BUS WASH
- 30 HEAVY INDUSTRIES
- 31 MOBILE MAINTENANCE VEHICLES
- 32 UNDERGROUND MINE CLEAN
- 33 WATER TANKER
- 34 MINE SITE VEHICLE CLEAN DOWN
- 35 BIG PLANT MAINTENANCE
- 36 STEAM HIGH PRESSURE CLEANING
- 37 FIRE FIGHTING EQUIPMENT
- 38 ROAD SWEEPERS

TRIPLEX
